- **A message from the Chair**
- **SPE Easter Eggs Hunt on March 24**
- **50th Anniversary Celebration Program**
- **11th SPE Community Outreach Annual Barbeque suspended**
- **February Board meeting and Forum highlights**
- **LASPE Awards**
- **Upcoming PE Technology Forum April 12, 2005**
- **Western Regional Meeting 30 March – April 1, 2005**
- **FESA Event**

A message from the Chair

Dear fellow SPE member,

As you may know, our main event this month is the Section's 50-year anniversary celebration on Wednesday, March 9, 2005, at the Long Beach Petroleum Club. Reception starts at 5 p.m., and a dinner program follows at 6:30 p.m. The program features talks by Richard J. Stegemeier, former Chairman and CEO, Unocal Corporation, and Dr. Iraj Ershaghi, Professor of Petroleum Engineering at the University of Southern California. In addition, Eve Sprunt, 2006 SPE President, will address the audience and honor members.

A full program of the event appears in the next page of this newsletter.

If you have not already registered to attend, I urge you to do so by contacting Ms. Idania Takimoto, Petroleum Engineering Program, USC, phone (213) 740-8076, fax (213) 740-7982, email pttc@usc.edu. The cost is \$25 per person.

I look forward to seeing you on March 9.

Sincerely,

Raj Upadhyay
2004-2005 LASPE Chairperson

SPE Easter Egg Hunt for International School March 24

Our traditional Easter Egg Hunt for the International Elementary School will be held at Drake Park in Long Beach on Thursday, March 24th. The "wee" little ones should be arriving about 9:00 a.m. Plastic eggs filled with candy will be at the park early on Thursday morning along with the Easter Bunny, Polaroid film, cameras and several DOG people. All members are invited to attend this event. Your reward: have the opportunity to see dozens of little happy smiling faces!

***The Board of Directors of the
Los Angeles Basin Section of the
Society of Petroleum Engineers
Invites you to attend our:***

50th Anniversary Celebration Dinner

Headliner: ***Richard J. Stegemeier – former UNOCAL Chairman and CEO***

Guest Speaker: ***Dr. Iraj Ershaghi – Omar B. Milligan Professor of the
Petroleum Engineering Program at USC***

Date: ***Wednesday, March 9, 2005***

Reception: ***Beginning at 5:00 PM***

Dinner Program: ***6:30 PM***

Venue: ***Long Beach Petroleum Club

11th SPE Community Outreach Annual Barbeque

Due to current weather conditions the 11th Annual Barbeque has been suspended. A new date will promptly be announced. Remember, any proceeds from the event will fund the annual Easter Eggs hunt we sponsor for disadvantaged school children in the Long Beach area.

February 8, 2005 Board Meeting and Forum Report by R. Finken

A total of thirteen attended. Raj Upadhyay called the meeting to order. The minutes of the prior meeting were approved, as was the treasurer's report.

The status of planning for the 50th Anniversary Dinner on March 9th from 5 – 9:30 PM at the Petroleum Club was discussed. Scott McGurk has completed arrangements for the Plains Exploration sponsored reception beginning at 5 PM. The dinner program will begin at 6:30 PM with the pledge of allegiance followed by welcoming remarks by Raj Upadhyay. The program features a history of LASPE, recognition of new Legion of Honor members by Eve Sprunt, followed by a technology update by Dr. Iraj Ershaghi. The featured speaker will be Richard Stegemeier, former CEO of UNOCAL.

Planning for the meeting is going very well. Nine company tables have been sold to date. Invitations were sent out on February 4th by USC, who is helping with RSVPs. The menu has been selected and mementos will be ordered soon. Planning to date is for 100 to attend, but it looks like a larger turnout may be possible. The Board agreed that student chapter attendees would receive a \$15 dinner discount.

In other business, Raj reported that two LASPE members, Dr. Iraj Ershaghi and Rick Finken would receive the Western Region Service Award at the 2005 Western Regional Meeting Keynote Luncheon. The Board also approved the following SPE award nominations: Sam Sarem for the Distinguished Service Award, Harry Krebs for the Public Service Award and Jalal Torabzadeh for the Distinguished Member Award.

Other topics reviewed at the Board Meeting included 2005 Western Regional Meeting planning and an update of the May 20, 2005 Charity Golf Tournament.

The Forum featured Dr. Pat Shuler substituting for Dr. Yongchun Tang who was ill. Dr. Shuler's topic, "Developing Technologies Today for the Oilfield Tomorrow" discussed Caltech's Power, Energy, and Environmental Research (PEER) Center's efforts in targeted areas of energy industry fundamental scientific research. Major oil companies and government agencies are key sponsors and participants in these projects. The PEER Center's combined energy industrial research and academic experience makes it uniquely qualified to translate breakthroughs in fundamental science to become deployable technologies. PEER's efforts help to mitigate the effect of oil industry's decreasing R&D efforts to focus on short-term financial results.

Dr. Pat Schuler

PEER is concentrating its research in five key areas: Enhanced Oil Recovery, Biotechnology, Treatment Chemicals, Geology and Geochemistry and Environmental Sensors. Dr. Shuler reviewed efforts to date and PEER's goals for the future.

LASPE Section Awards

Below is a list of our distinguished members who have received this honor in the past. New additions for 2005 were Richard Finken (DOP - Long Beach) and Iraj Ershaghi (USC), both receiving Regional Service Awards.

Distinguish Service

1967 Mr. Edward H Mayer
1985 Mr. W. C Barton Jr.
2002 Ms. Marina M. Voskanian

Regional Service Award

1985 Mr. John F Bergquist
1987 Mr. Richard J Aseltine
1988 Mr. George C. Howard
1988 Mr. Herman E. Schaller
1989 Dr. E. L Dougherty Jr.
1990 Dr. Amir M Sam Sarem
1991 Ms. Marina M. Voskanian
1992 Mr. Harry J. Krebs
1995 Mr. Richard J Miller
1996 Mr. Wesley L Wisdom
1997 Mr Fredric C Crosby
2004 Mr. Philip S Hara
2004 Ms. Vivian K Bust
2005 Dr. Iraj Ershaghi
2005 Mr. Richard D Finken

Young Member Outstanding Service Award

1994 Mr. Keith C Seanard

Lester C. Uren Award

1965 Mr. M. B Standing

Cedrick K. Ferguson Medal

1964 Dr. E. L Dougherty Jr.
1967 Mr. John E Cochrane

Anthony F. Lucas Gold Medal

1977 Mr. M. B Standing
1997 Mr. Henry J. Welge

Distinguished Achievement For Petroleum Engineering Faculty

1983 Dr. Iraj Ershaghi
1984 Dr. George V. Chilingar

Economy and Evaluation Award

1989 Dr. E. L Dougherty Jr.

Formation Evaluation

1991 Mr. Aytakin Timur

Health, Safety and Environment

2002 Mr. Mark A Shemaria

Reservoir Engineering

1984 Mr. Henry J. Welge

Petroleum Technology Forum

April 12, 2005

Mark in your calendars the date of our upcoming Forum. It promises to be a very interesting one. We will be receiving:

Dr. George Stosur,
2004 -05 SPE Distinguished Lecturer

Presenting:

**The Growing Demand for Heavy Oil
and Natural Gas and the Related Global
Warming Issues**

Please contact Maryam Davari with your ideas and suggestions for future Forum topics
213-225-5900x209, mkashfi@breitburn.com

KEEP BUILDING THE WORLD OF SPE

Share our strength
with your colleagues

Inviting new members to join SPE is important

- Participate in the 2005 membership development contest for chances to win more prizes on a quarterly basis
- Earn credits toward Membership Development Appreciation Awards
- Grow SPE and strengthen the industry

Visit www.spe.org/recruit for contest rules and specific guidelines.

Western Regional Meeting

Mar - 1 Apr 2005
Irvine, California USA

Venue: Irvine Hyatt Regency Hotel

The tradition of the SPE Western Regional Meeting is moving. The venue for the 2005 Western Regional Meeting will shift to Irvine, California and the Hyatt Regency Irvine, just minutes from John Wayne Airport, Disneyland, Newport Beach, and the large South Coast Plaza shopping mall as well as many other entertainment and educational sites in Southern California.

The technical program and exhibition will continue the tradition of excellence, and will center on the theme **Diverse Challenges Out West**. Make plans now to be part of this significant and relevant conference.

In addition 4 short courses will be offered:

- Fundamentals of Reservoir Description and Modeling with Geostatistics 2-3 April
- Thermal Recovery Processes 2-3 April
- Production Gauging Principles and Methods, April 2
- Common Sense Reservoir Engineering, April 3
